

Publish Your White Papers & Application Notes on:

www.LaboratoryEquipment.com &
www.ChromatographyTechniques.com

Serving the laboratory marketplace for 45+ years, *Laboratory Equipment* welcomes the latest scientific research relevant to its readers—scientific professionals working across multiple disciplines in industrial, government and academic labs.

Submissions:

1. Please send either PDFs or Word documents, which we will be turn into PDFs.
2. White Papers should not exceed 25 pages.
3. A 100- to 200-word abstract to be included on the document's landing page should be included.
4. Accompanying TIFs and JPGs (72 dpi or higher) are also welcome.
5. Complete company contact information.

Contact Information:
